

HALF, FULL & BACKPACK RESPIRATORS

Half, Full & Backpack Respirators & Cartridges

NORTH

5500 Series Half Mask

- Soft non-allergenic elastomer for comfort and fit
- Low, dead air space improves worker comfort by limiting re-breathing of exhaled air
- Direct cartridge to facepiece seal minimizes replacement parts and simplifies maintenance
- Three overlapping sizes comfortably fit most users
- Compatible with all North cartridges, filters and accessories

5500 Half Mask w/Organic Vapor Cartridges

5400W Welder's Full Face Mask

7600 Full Facepiece Shown w/7584P100 Cartridges

7700 Series Half Mask

- Soft silicone conforms to facial features and doesn't harden with age
- Easy to clean and resists distortion
- Contoured sealing flange and cradle suspension system eliminates discomfort caused by pressure points
- Design of nose area provides excellent fit and comfort
- Three overlapping sizes comfortably fit most users

5400 Series Full Face Mask

- Soft non-allergenic elastomer for comfort and fit
- Each face mask comes with three peel-away windows, six respirator wipes and a storage bag
- Oral nasal cup reduces fogging and improves worker comfort by limiting re-breathing of exhaled air
- Chin cup helps to position the facepiece properly
- Polycarbonate lens is scratch resistant and meets ANSI standards for impact and penetration resistance
- Two overlapping sizes will comfortably fit most users

7600 Series Full Facepiece

- Soft silicone conforms to facial features and doesn't harden with age
- Easy to clean and resists distortion
- Oral nasal cup reduces fogging and improves worker comfort by limiting re-breathing of exhaled air
- Speaking diaphragm makes communication easy
- Five-strap harness provides an effective and comfortable facepiece to face seal
- Chin cup helps to position the facepiece properly
- Neck strap allows wearer to park respirator when not in use
- Polycarbonate lens is scratch resistant and meets ANSI standards for impact and penetration resistance
- Two overlapping sizes will comfortably fit most users

5400W Series Full Face Mask & 7600W Series Full Facepiece Welding Respirators

- Respirator with welding shield constructed of a fire resistant thermoplastic material
- Can be lifted upward on a locking hinge for a wide-angle view of the work area
- Available as a complete respirator or as an attachment to convert your existing 5400 series face mask or 7600 series full facepiece respirator

BP 1000 Series Backpack Adapter & Respirators

- Allows users to locate cartridges and filters out of the work zone by placing them on the user's back.
- Easily adaptable to all North full facepiece and half mask respirators by attaching to the cartridge connectors
- Ideal for tight or highly heated workplaces such as those encountered in welding operations

Cartridges, Filters & Accessories

- Approved to be used with all North air-purifying half mask and full facepiece respirators
- Color coded labels for easy identification

Stylus® & Stylus Reach® Penlights

A Point of Light

These penlights are ideal for detailed, focused applications in automotive, industrial and even forensic environments.

Stylus®

- 100,000 Hour lifetime, hi-intensity light emitting diode (LED) "solid-state bulb"
- Waterproof; individually serialized, momentary blink switch and constant "on"
- Tempered aircraft aluminum with anodized finish
- Feature a nonslip knurled grip
- Run time: up to 60 hours
- Stylus UV includes an ultraviolet light for fluorescent detection of fraudulent documents and for use in forensic investigations

Stylus Reach®

- Same features as Stylus, except has a flexible cable extension, allowing the user to peer into the tightest areas

LED Stylus® Penlight
