

SKIN CLEANING & WATERLESS CLEANERS

Aero® Foam Soap Systems

Foam cleansing offers better skin coverage than traditional methods. Because it uses less soap, foam also means more handwashings per cartridge and fewer change-outs.

- AeroBlue® Foam Hand & Body Shampoo**
- General purpose cleansing in any setting
 - Cartridge fits ProLine® 1-Liter dispenser

- AeroGreen® Antibacterial Foam Soap**
- 99% effective against most common bacteria
 - Suitable for healthcare, hospitality and food preparation industries
 - Cartridge fits ProLine® 1-Liter dispenser

Cleansing Foam Antibacterial Foam

Medicated & Protective Creams

SBS-40 is a superior medicated skin cream to help condition the skin, soothe and heal. Lightly scented and absorbs completely.

SBS-44 is a water-resistant barrier cream specially formulated for anyone exposed to water based irritants: detergent solutions, acids, alkalis, cleaning agents and more.

SBS-46 protects against and aids in the removal of greases, oils, tar, inkem dyes and many other solvent based irritants.

SBS-33 is a waterless hand cleaner with patented scrubbers to remove tough soils: industrial washrooms and maintenance shops.

Cartridge Soap Systems

ProLine Dispensers are durable, low-cost dispensers for every skin care need. Vandal resistant and uses a recyclable, collapsible sealed cartridge that empties completely. SBS Lime is a powerful citrus-based cleanser, contains commel scrubbers for heavy skin cleansing jobs. SBS Aquaress is a pearlescent blue hand and body shampoo. Conditions as it cleans.

SBS Orange is a fast-acting blend of orange oil and natural, biodegradable scrubber for the heaviest cleaning jobs. Powerful: removes grease, grime, printer's ink, resins, glues and tar. Conditions: wheat germ oil, jojoba and vitamin E keep skin soft. Safe: contains no petroleum solvents or harmful mineral abrasives.
