# the MSC advantage

## The Company

MSC Industrial Supply is a \$1.5+ billion nationwide distributor specializing in providing MRO and metalworking supplies to the industrial, commercial, and government industry segments. MSC was founded in 1941, and for more than 65 years has been the most dependable and responsive team in the business. MSC has been a publicly traded company for over 10 years and is listed under the NYSE, ticker symbol "MSM."

MSC consistently provides its customers with the best in quality, value and service. This is accomplished by leveraging our world class logistics system, our enormous buying power, best in class e-commerce capabilities, and our unbelievable depth and breadth of over 500,000 items that are in stock and ready to ship today. In addition, an integral part of MSC's Mission Statement, and single focus of every associate, is "To be the best industrial distributor in the world." In other words, we strive every day to be the BEST supplier you work with.

## MSC Servicing Educational Institutions

### MSC Services:

- Public and Private Schools (K-12)
- Colleges & Universities
- Career & Technology Education

MSC has the right combination of products and solutions to help you create a clean and safe learning environment for your faculty and students. When you look beyond MSC's massive product offering and robust logistic system that provides a "Same Day Shipping Guarantee\*," you will find that MSC is the go-to company for a host of value-added solutions that will save you time and money. We have the tools and flexibility to create a unique program that fits your specific needs. Our solutions can range from simple process improvement for your P-card program, to fully integrating one of MSC's electronic procurement solutions like [mscdirect.com](http://mscdirect.com) to your E-procurement provider. In addition, MSC has many contract awards from Educational institutions as well as State/Local Government agencies. A list of our current contracts can be viewed on [mscdirect.com](http://mscdirect.com) under the Resources Tab.

What are solutions without the people to support them?

That's why MSC has over 90 local branches\*\* across the United States to support your institution. The local MSC staff can work directly with specialized departments within your school, such as Purchasing, Physical Plant, Facilities, Grounds, Safety & Security, Food Service, Athletic Departments, Repair Shops, Fleet Maintenance, or any department where our products and services can provide value. We know that our people make all the difference.

\*See the big book® page XIII for details. \*\*See back cover for your local branch.

# MSC

## eco-friendly product categories

Let MSC help your institution **go green!** We have identified many items that can help protect the environment, your faculty and your students.

When shopping the MSC Big Book® and [mscdirect.com](http://mscdirect.com), look for this eco-friendly logo and our eco-friendly product icons listed on this page.

**Green Cleaners and Fluids:** MSC offers a wide variety of biodegradable cleaners, degreasers, and cutting fluids that help maintain a healthy environment and assist in the prevention of ozone depletion.

**Green Seal Certified:** Check out our products with Green Seal® Certification. Green Seal is an independent, non-profit organization that promotes the manufacture, purchase and use of environmentally friendly products and services.

**Conservation:** MSC carries hundreds of products that can help you save energy, conserve our natural resources and support your overall goal of protecting the environment. Search hundreds of items, including energy-efficient lamps and lighting, photoluminescent signage and safety products, HVAC products, automatic hand dryers, hands-free water faucets/water coolers and flow-control products. In addition, MSC carries recycling kits to assist you in the disposal of products that contain hazardous materials. These great products can conserve energy and may keep your costs down at the same time!

**Renewable Energy Source:** Products that can be recycled and kept out of the solid waste stream preserve the environment and sustain natural resources. MSC carries products such as power tools, flashlights, and two-way radios powered by rechargeable batteries. Advantages of these types of products include longer life cycle, greater power performance, and no self-discharge. Other renewable source products include glow-in-the-dark signs, which can be used in your facility to preserve energy and save you money!

**Energy Star®:** Energy Star is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy that promotes energy-efficient consumer products. Energy Star products will dramatically save your company money while using less energy. Look for the Energy Star logo on select heating and cooling products and start saving!

**NEMA® Premium:** NEMA (National Electrical Manufacturers Association) established an energy-efficiency motors program that provides highly energy-efficient products for consumers. Choosing energy-efficient motors will save you money in total energy operating cost and will improve overall system reliability. Search MSC's NEMA premium products and upgrade your old motors!

**Recycled Products:** Every time you purchase recycled products, you are helping to conserve the environment's natural resources, including trees, water, electricity, and oil. MSC can offer you a number of products made from recycled materials, such as can liners and various paper products. Choose products that are made from recycled content to preserve the environment.

**Low VOC:** Traditional paints and finishes release low levels of harmful toxins into the air caused by a variety of VOCs (Volatile Organic Compounds). New environmental regulations in many states have prompted the development of low VOC paints and finishes that are less harmful to the consumer and the environment. Search our wide offering of low VOC items for safe, non-toxic products that are durable, provide great coverage and are cost-effective.
