CAUTIONARY STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995. Statements in this Press Release may constitute "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Any statements contained herein which are not statements of historical facts and that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future shall be deemed to be forward-looking statements. Forward-looking statements are inherently subject to risks and uncertainties, many of which cannot be predicted with accuracy and some of which might not even be anticipated. Future events, actual results and performance, financial and otherwise, could differ materially from those set forth in or contemplated by the forward-looking statements herein. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Company

undertakes no obligation to release publicly any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. The inclusion of any statement in this release does not constitute an admission by MSC or any other person that the events or circumstances described in such statement are material. Factors that could cause actual results to differ materially from those in forward-looking statements include, without limitation, changing customer and product mixes, changing market conditions, industry consolidations, competition, general economic conditions in the markets in which the Company operates, rising commodity and energy prices, risk of cancellation or rescheduling of orders, work stoppages or other business interruptions (including those due to extreme weather conditions) at transportation centers or shipping ports, the risk of war, terrorism and similar hostilities, dependence on the Company's information systems and on key personnel, the outcome of potential government or regulatory proceedings or future litigation relating to pending or future claims, inquiries or audits, and various other risk factors listed from time to time in the Company's SEC reports.
