MSC INDUSTRIAL SUPPLY DONATES OVER \$15,000 TO THE RONALD McDONALD HOUSE OF LONG ISLAND

New Hyde Park, NY (December 2009) –MSC Industrial Supply Company of Melville has been supporting The Ronald McDonald House of Long Island since 1995. In 2005, they started a program in which MSC donates a portion of their work glove sales to the House; to date the glove sales have totaled \$94,000. On December 10th, MSC came to the House to drop off their latest gift totaling over \$15,000!

“Our friends at MSC have a very special place in our hearts,” said **Executive Director Joanne Reda**. “Their loyal and very generous support has helped many families over the years, and we are eternally grateful to them for their commitment to our mission”.

MSC Industrial Supply Company is one of the nation's largest direct marketers of industrial supplies and equipment. They are known as the easiest, simplest and most efficient place to purchase industrial supplies. Their products are widely available and they guarantee shipment the same day. For more information on MSC you can log on to www.mscdirect.com.

The Ronald McDonald House of Long Island is a ‘home-away-from home’ for families who are caring for seriously ill children undergoing medical treatment in area hospitals. Located on the campus of Schneider Children’s Hospital, the House accommodates families in a warm and supportive environment. Since opening in 1986, approximately 13,000 families from the United States and more than 80 countries around the world have been served. Many of the families are from Queens, Suffolk and Nassau Counties, as well as the surrounding metropolitan area.
