For Immediate Release

**MSC INDUSTRIAL DIRECT CO., INC. SIGNS DEFINITIVE AGREEMENT TO
ACQUIRE RUTLAND TOOL & SUPPLY CO.**

- Expands presence in West Coast with Addition of Local Market Leader -

Melville, NY, November 9, 2010 - MSC INDUSTRIAL DIRECT CO., INC. (NYSE: MSM), “MSC” or the “Company,” one of the largest direct marketers and premier distributors of Metalworking and Maintenance, Repair and Operations (“MRO”) supplies to industrial customers throughout the United States, today announced that it has signed a definitive agreement to acquire the assets of Rutland Tool & Supply Co. (“Rutland”), a subsidiary of Lawson Products, Inc (Nasdaq: LAWS), for approximately \$11 million in cash. The acquisition is expected to close in the fourth quarter of calendar 2010, subject to customary closing conditions. The Company will finance the acquisition using available cash, and expects the acquisition will become accretive to earnings in late-fiscal 2011 or early-fiscal 2012.

Based in Whittier, CA, Rutland was founded in 1955 and markets and distributes a broad range of industrial tools, cutting tools, abrasives, machinery, precision instrument supplies, safety products and other MRO related supplies to over 20,000 customers. Customers have access to over 100,000 items through multiple channels including web, showrooms, catalogs and sales flyers. Rutland’s customer base includes industrial machine and metalworking shops, as well as maintenance and repair facilities. In 2009, Rutland generated revenue of \$33.7 million.

David Sandler, President and Chief Executive Officer of MSC, stated, “Rutland is a well-regarded West Coast metalworking distributor that adds to our presence in the region. We expect that this acquisition will enhance our West Coast build-out strategy and provide the opportunity for accelerated market share gains and further growth in sales and profitability.”

About MSC Industrial Direct Co., Inc.

MSC Industrial Direct Co., Inc. is one of the largest direct marketers and premier distributors of Metalworking and Maintenance, Repair and Operations (“MRO”) supplies to industrial customers throughout the United States. MSC distributes approximately 600,000 industrial products from approximately 3,000 suppliers to approximately 320,000 customers. In-stock availability is approximately 99%, with next day standard delivery to the contiguous United States on qualifying orders up until 8:00 p.m. Eastern Time. MSC reaches its customers through a combination of approximately 22 million direct-mail catalogs, 96 branch sales offices, 973 sales people, the Internet and associations with some of the world's most prominent B2B eCommerce portals. CAUTIONARY STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995. Statements in this Press Release may constitute “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Any statements contained herein which are not statements of historical facts and that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future, including statements about the expected benefits of the acquisition shall be deemed to be forward-looking statements. Forward-looking statements are inherently subject to risks and uncertainties, many of which cannot be predicted with accuracy and some of which might not even be anticipated. Future events, actual results and performance, financial and otherwise, could differ materially from those set forth in or contemplated by the forward-looking statements herein. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The inclusion of any statement in this release does not constitute an admission by MSC or any other person that the events or circumstances described in such statement are material. Factors that could cause actual results to differ materially from those in forward-looking statements include, without limitation, problems with successfully integrating acquired operations, current economic, political and social conditions, changing customer and product mixes, financial restrictions on outstanding borrowings, industry consolidation, competition, general economic conditions in the markets in which the Company operates, volatility in commodity and energy prices, credit risk of our customers, risk of cancellation or rescheduling of orders, work stoppages or other business interruptions (including those due to extreme weather conditions) at transportation centers or shipping ports, the risk of war, terrorism and similar hostilities, dependence on the Company’s information systems and on key personnel, and the outcome of potential government or regulatory proceedings or future litigation relating to pending or future claims, inquiries or audits. Additional information concerning these and other risks is described under “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the Company's reports on Forms 10-K, 10-Q and 8-K that the Company files with the U.S. Securities and Exchange Commission. The forward-looking statements in this press release are based on current expectations and the Company assumes no obligation to update these forward-looking statements.
