**MSC INDUSTRIAL SUPPLY DONATES OVER \$18,000 TO
THE RONALD McDONALD HOUSE OF LONG ISLAND**

New Hyde Park, NY (October 2008) –**MSC Industrial Supply Company** of Melville has been supporting the Ronald McDonald House of Long Island since 1995. In 2005, they started a program in which MSC donates a portion of their work glove sales to the House; to date the glove sales have totaled \$58,000. On October 15th, MSC came to the House to drop off their latest gift - \$18,764.00!

“MSC Industrial Supply Company has been such a good friend to the House,” said **Executive Director Joanne Reda**. “Their generosity has helped us to serve hundreds of families in need.”

MSC Industrial Supply Company is one of the nation's largest direct marketers of industrial supplies and equipment. They are known as the easiest, simplest, and most efficient place to find and buy industrial supplies. Their products are widely available and they guarantee shipment the same day. The Ronald McDonald House of Long Island is a ‘home-away-from home’ for families who are caring for seriously ill children undergoing medical treatment in area hospitals. Located on the campus of Schneider Children’s Hospital, the House accommodates families in a warm and supportive environment. Since opening in 1986, more than 12,000 families from the United States and more than 80 countries around the world have been served. Many of the families are from Queens, Suffolk and Nassau Counties, as well as the surrounding metropolitan area.
