

## With the 3M™ Headlight Lens Restoration System, your headlights will look practically new.

Plastic lenses can yellow with age, reducing headlight brightness, and replacing them with new lenses can be expensive. The 3M™ Headlight Lens Restoration System lets you restore plastic lenses, including headlights, taillights, fog and directional lights. All you need to do the job is some tape, water and a household drill.

### Simple to use:

Before

#### 1. Mask

Requires only basic household items like masking tape and a drill

#### 2. Sand

Easily sand away the outer layer to restore headlight lenses

#### 3. Refine

Refine and reduce scratches

#### 4. Polish

Polish lenses for clarity and shine

After
