Pneumatic Riveting Tools & Accessories

Rivet Tools

- Heavy-duty production tool
- Superior quality
- 3500 lbs. of pull force
- Designed for long life
- Compact and lightweight
- Reduces operator fatigue
- Expands tool capabilities
- Used for both production and maintenance and repair applications
- In-line piston for one-stroke installations
- 2015V and ERT9V: With vacuum-assist pintail collection system
- Rivet capacity: up to 1/4" (open or closed)
- 90 PSI
- Air inlet size: 1/4"

Industrial High-Power Stick Framing Nailer & Nails

Nailer

- Lightweight magnesium housing for durability
- 4-stick magazine for less frequent reloads
- Patented push-button depth control for quick flush nailing adjustment
- Fastener gauge: 28° wire collated stick nails
- Aggressive toe-nailing teeth for slip-resistant toe-nailing
- Driving power: 100 in. lbs.
- Fastener length: 2"-3 1/2"
- Fastener capacity: 100
- Operating pressure: 70-120 PSI

Heavy-Duty TiAlN Coated Cobalt 135° Split Point Jobber Drills

Fractional, Wire & Letter Sizes Available

Cobalt

- Provides better wear resistance in hardness and toughness compared to HSS
- For use in high-tensile alloys, titanium, cast iron, Inconel and high-nickel stainless steel

TiAlN Coating

- For use where extremely high temperatures are generated in machining stainless steels, nickel-based and titanium alloys. Allows increase in machining speeds of 75-100%
- Not to be used in aluminum

Features:

- 135° self-centering split point prevents "walking"
- Heavy-duty core construction provides greater strength and rigidity than conventional drills

Electrical Test Kit

- Ideal kit for electrical, HVAC and plant maintenance
- AC current range: 2/20/200/400A
- DC current: 20A DMM only
- AC voltage: 0-750V
- DC voltage: 400mV-600V
- Max. amps: 400
- Min. input voltage: 0.1mV

- Max. input voltage: 750V AC, 1000V DC
- Resolution: 0.1mV, 0.1µA, 0.1 ohm, 0.01nF, 0.001Hz, 1 degree

Includes:

- EX430 True RMS auto-ranging digital multimeter
- MA200 400A AC clamp-on meter
- 11 functions
- 40130 non-contact AC voltage detector
- Set of CAT III-1000V test leads
- Type K thermocouple bead probe
- Type K to banana input adapter
- CA900 carrying case with handle
